Art Unit: 2859

1. Claims 22-35 presented in the amendment of 9/17/1998 have been previously indicated as not being considered in view of the stay of ex parte prosecution. Such stay is terminated when an it is determined that an interference will be declared. The previously submitted claims being allowable, interference will be declared and the amendment submitting claims 22-35 is now entered.

2. The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:

An oath covering claims 22-35 presented in the amendment of 9/17/1998 has not been filed.

In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

Claims 22-35 are rejected as being based upon a defective oath under 35 U.S.C. 251. See 37 CFR 1.175. The nature of the defect is set forth above.

Receipt of an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1) will overcome this rejection under 35 U.S.C. 251. An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

Art Unit: 2859

3. Claims 22-35 are otherwise allowable.
4. Applicant should also indicate if he considers claims 22-35 to correspond to the count. If any of these claims are considered to correspond to the count, a statement under 37CFR1.607 will be required from applicant explaining why the claims correspond to the count.
5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to V. Miska whose telephone number is (703) 308-3096.
